

PFAS Declaration / Statement of Compliance

Date: October 15, 2025

ACCES I/O Products, Inc.
10623 Roselle Street
San Diego, CA 92121 U.S.A.

To Whom It May Concern,

This statement certifies that, to the best of our knowledge and based on information provided by our component suppliers and manufacturing partners, ACCES I/O Products, Inc. does not intentionally add, use, or incorporate per- and polyfluoroalkyl substances (PFAS) — as defined by the U.S. EPA, the EU REACH Regulation, and applicable state regulations (including but not limited to Maine 38 M.R.S. §1614 and California AB 727) — in the design, manufacture, or assembly of our products.

PFAS compounds are not known to be present in concentrations above regulatory thresholds in the materials or components we specify for our standard products. We continue to monitor applicable PFAS restrictions and supplier declarations to ensure ongoing compliance with environmental and customer requirements.

This declaration is based on supplier material declarations and product specifications as of the date of issuance and may be updated as new regulatory information becomes available.

This statement is issued by ACCES I/O Products, Inc. for the purpose of compliance documentation.
